Annual Budget of the Sports Club

This club has primarily two activities, viz. (i) IISM (Inter IISER Sports Meet), and (ii) Ragnarök whose details are given below:

Ragnarök is an inter-batch sports meet organized in the even semester in which various sports events are organized to boost the spirit of sportsmanship among students and to give them a fresh start for the semester. This event also serves as a prelude to IISM.

Inter IISER Sports Meet (IISM) is open to NISER, UM-DAE CEBS and IISc. Participation and achievements in sports from CEBS is increasing as expected from the increasing strength of students in upcoming batches. This year IISM 2024 is set to be organized by IISER Pune from 17th December 2024 to 23rd December 2024, in which a total of 55 students are going to participate. We will be traveling by train. Also to participate in IISM we need to purchase printed Jerseys. Apart from IISM, CEBS students also participate in ICT Sports and Inter-Departmental Sports Meet (Sportico) of the University of Mumbai.

IISM 2023 was organized by IISER Thiruvananthapuram and during the practice sessions, much equipment has been used and some of them have worn out. Hence, we require budget for both purchase of new equipment and repair of existing ones. With the increasing strength of students and with an aim of increasing participation in more competitions, budget estimates for IISM are made for 55 students. The inventory of items as available with the Sports Club are given in Annexure – VII. The proposed budget for the Sports Club for the academic year 2024–25 is as follows:

Requirements	Estimated Budget (in INR)
Sports Equipment	65,000
