

ART CLUB

Kalākriti, the Art Club of CEBS, is one of the centre's oldest and most vibrant clubs. It provides a platform for students, faculty, and staff to express their creativity through art.

During SAMAVĀYA, the club hosts its main two-day art event, ORIS, for the CEBS community.

For IINCICM, the Art Club participates in various art events and manages the fashion show, where members create new designs, stitch them, and present the final pieces to represent CEBS. In addition to these major events, the club conducts workshops and smaller activities to maintain the vibrant art culture at CEBS.
