

CINEMATOGRAPHY AND PHOTOGRAPHY CLUB

The Cinematography & Photography Club is one Of the newest and most successful student run clubs at CEBS. Despite having a small team and limited professional equipment' the club has achieved notable success, winning awards for its stunning photography at the Inter-IISER Cultural Meets (IICM)

During SAMAVÄYA, the club produces and screens a short film, an event enjoyed by students and faculty alike. The club also organizes photography and filmmaking workshops to help students develop these skills.

The inventory Of items available to the Cinematography & Photography Club is listed in Annexure II.

The proposed budget of Cinematography Club for the academic year 2026-2027 is as follows:

Specification	Events	Cost
External SSD I TB	Inventory	18,000
Comic Con (29 March)	SAMAVÄYA	10,000
SAMAVÄYA - Film		6,000
IICM - Film Requirements	IICM'26	6,000
Halloween(31 Oct)	Club Event	6,000
Workshop (25 Sept)		1,500
Miscellaneous	Possible Film Festival Submissions Other	3,500
Total		51,000

Notes and Remarks:

- An SSD is essential for storing data during filmmaking, and the club requires three green screens for its activities ,The ssd is not available on GEM portal
- During Samavaya we started a new Event COMIC CON which has started from the following year
- The club produces two short films per academic year (one for IICM and one for SAMAVÄYA), with an estimated budget of 6,000 per film including travel and props.
