

## E-GAME CLUB

The E-Game Club of CEBS is one of the oldest and most active clubs. They hold events, through a variety of e-games and board games (Re-Roll [Most social event of CEBS] and Re-Play), in all the semesters as well as during SAMAVAYA, all of which are enjoyed by all the students. The club also represents the institute at inter-collegiate esports and gaming summits such as IIESM, and organizes competitive events such as CVL.

The inventory of items as available with the E-Game Club are given in Annexure – IV.

The proposed budget of E-Game Club for the academic year 2026 - 27 is as follows:

| Specification                                  | Events          | Cost (INR) |
|------------------------------------------------|-----------------|------------|
| Raspberry Pi Zero 2W                           | Inventory       | 7,000      |
| Micro HDMI Cable                               |                 | 647        |
| Adapter                                        |                 | 725        |
| SD Card 64GB                                   |                 | 1,406      |
| Portronics Portable Hub (incl. SD Card Reader) |                 | 800        |
| The Mind                                       | Re-Roll         | 550        |
| The Skull Boardgame                            |                 | 1,300      |
| Exploding Kittens                              |                 | 500        |
| CamelUp Boardgame                              |                 | 5,000      |
| Deep Sea Adventure                             |                 | 5,000      |
| Registration Fees                              | IIESM           | 1,000      |
| Club T-Shirts (26)                             | Club Activities | 14,527     |
| Canva Pro Subscription                         |                 | 4,000      |
| Trophies and Medals                            |                 | 2,000      |
| Miscellaneous                                  |                 | 1,000      |
| Total                                          |                 | 45,455     |

### Notes and Remarks:

- **Board Games (The Mind, The Skull, Exploding Kittens, CamelUp, Deep Sea Adventure):** Funding is requested to expand and refresh the club's board game inventory for events like Re-Roll, the club's most social event. These additions replace damaged titles and introduce new mechanics (social deduction, card-drafting, and strategy) to maintain high student engagement during fests.
- **Retro Gaming Setup (Raspberry Pi Zero 2W, Micro HDMI Cable, Adapter, SD Card 64GB, Portronics Hub):** The club plans to assemble a compact retro-emulation console setup. This single low-cost hardware kit replaces the need to repeatedly buy individual expensive gaming consoles/controllers, providing a long-term, portable asset for retro-gaming tournaments (Re-Play) and casual event setups.
- **Club T-Shirts (26 Units):** Required to ensure clear identification and coordination for club executives, volunteers, and tournament referees during large-scale institute events (Samavaya and CVL). Official merchandise reinforces team unity, improves event management on the floor, and serves as official organizational attire when representing the institute.
- **IIESM Registration Fees:** Requested to facilitate participation and representation of the club/institute in inter-college esports and gaming summits or competitive leagues.

- **Canva Pro Subscription:** A Canva Pro subscription will be purchased for design work (posters, banners, promotional material). As in previous years, this subscription will be made available for shared use across all CEBS clubs.
- **Trophies and Medals / Miscellaneous:** Essential allocation for awards to recognize winners and runners-up across tournaments (such as CVL and board game events), as well as covering printing costs for promotional posters, physical brackets, and event logistics.
