

E-CELL

The Entrepreneurship Cell (E-Cell) budget covers the expected travel costs for a nine-person college delegation, along with the software subscription required through March 2027. The proposed budget of the E-Cell for the academic year 2026-27 is as follows:

Specification	Events	Cost (INR)
Outward train tickets	Delegation Travel	22,500
Return train tickets		22,500
Railway station to college taxis		2,000
College to railway station taxis		2,000
Claude Code subscription	Software Subscription	13,993
Total		62,993

Notes and Remarks:

- Travel basis: Train fare is for 3AC with food, for a delegation of two teams of up to four participants each plus one manager (nine people total). Taxi estimates assume approximately 20 km per trip, with two taxis in each direction.
- Subscription basis: The Claude Code subscription is budgeted at INR 1,999 per month for seven months, from September 2026 through March 2027. Taxes and card charges are not included.
